Birdie 150 Hoist

The Birdie 150 is a compact, easy-to-use hoist ideal for hoist hire during cruise holidays. Designed for users who cannot weight bear, it features an electrically operated boom controlled by a remote, offering smooth and controlled lifting. The manually operated leg levers allow for adjustable width, making it suitable for a variety of cabin layouts. Best suited for shorter users, this portable hoist provides dependable support when used with a compatible loop sling (not supplied). Please note: wheel brakes should not be applied during hoisting. Lightweight and cruise-friendly, the Birdie 150 ensures safe and practical support throughout your journey.

Specifications
