

Power Chairs

Reference no. PC031

Supachair Combi 18”

The range and speed of the Supachair Combi 18” may vary depending on the weight of the user, terrain type, outside temperature and battery charge. We advise that you plan your route to avoid adverse terrain, inclines, kerbs and steps if possible; if this is unavoidable, we do not advise an incline above 5° and a kerb / step above 4cm (1.5"). If it has been agreed that adjustments are necessary, this will need to be done prior to 1pm on the day of the cruise. Please arrange this with the office.

Max user weight	150kg / 23.6st	Kerb climber	No
Total weight	31.2kg	Seat raising	No
Total width	58cm	Seat recline	No
Total height	101cm	Backrest recline	No
