

Mobility scooters
Reference no. ST022
Supascoota HD Mk2

Finally a truly portable scooter with heaps of leg room and a large 130kg load capacity. Long distance travel in complete comfort or confined indoor use, the choice is yours. Dual motor drive system makes light work of off-pavement use and steep hills so you can go anywhere with total security. Super light frame design (the heaviest part only 10.2kg) with seat suspension, the Supascoota HD is designed to handle challenging conditions.
